

**MAYOR MALULEKE OFFICIALLY OPENS COMPUTER SOLAR LAB AT XITHLELANI VILLAGE:** Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke has officially opened the Amandla Computer Solar Lab in Mahuntsi Secondary School at Xithlelani village. The Lab comprises of 10 Desktops, 30 Laptops and Wi-Fi. "The opening of this computer lab is another step in opportunities for everyone to have digital access, build community and propel economic opportunities. It indeed bridges the digital divide, fostering community building, stimulating economic opportunities, making technology accessible to everyone which in turns empowers communities," Said Mayor Maluleke. During the cutting of the ribbon the Mayor was joined by Mr Hasani Thlabyayo who is a community developer, Hosi Makumeke, Local Councillor and Exco members as well the circuit manager. The mayor has thanked all local and international organisations that contributed to this great initiative.
