

The Mayor of Collins Chabane Local Municipality concluded his day activities by hosting a Youth Empowerment seminar which was addressed by the MEC for Economic Development, Tourism and Environmental Affairs, Mr Rodgers Monama at the Municipality Hall. The seminar which was organised by the Municipality South Africa Local Youth Council and aimed to promote education and assist young people to pursue their studies was attended by hundreds of young people from various clusters of the municipality as well as different institutions such as Soul City, Tvets and representatives of higher institutions. MEC Monama has praised the Youth Council for its efforts to value education and uniting young people behind a vision for a better future through education.
