

As the Collins Chabane prepares for an influx of festive season visitors from different Provinces, Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke urged traffic officers to be tough on road transgressors. The Mayor said this during the Festive Season Road Safety Awareness Campaign Launch which took place in Collins Chabane yesterday organised by Vhembe District Municipality. The aim of the annual festive season campaign is to ensure that there is high law enforcement visibility on the busy roads to oversee the smooth flow of traffic and to keep an eye on the driving behaviour of motorists to make certain they abide with the rules of the road.
