

Mayor Shadrack Maluleke congratulates Rixongile Helani for scooping Three national beauty pageant titles:

"From far end of Collins Chabane to National streets of fame, congratulations to our daughter Rixongile Helani for giving us another reason to smile as the municipality and for lifting up the flag of Collins Chabane to the upper level of our country",.

These were the words of Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke after receiving the news that Collins Chabane born golden girl Rixongile Helani has scooped three national beauty pageant titles.

Born in Mhinga village and Grade 11 learner, Rixongile scooped Miss SA Universe Charity Queen, Miss Universe 2nd Runner Up and the Teen Universe Public Choice Queen title. She was crowned Miss Limpopo Teen for the year 2023.

"We do not want the children of Collins Chabane to just be born from the Collins Chabane, we want them to be in a state of freedom, to live in true and genuine freedom: the freedom to dream and realize their dreams and the aspirational freedom that knows no boundaries. The freedom to qualify and work in any profession of their choice. To realise financial freedom and economic freedom and I believe as the Mayor that many young people will emulate Rixongile and see her as an inspiration and a fountain of confidence", Mayor said.

Rixongile joins the likes of Miss South Africa Shudufhadzo Matidza, Miss Collins Chabane Diana Ndavani and the Current crowned Miss Limpopo Hlaluko Sambo who recently got crowned in Polokwane.

It starts here with us, with the power we have; let us believe in the youth and give them the support to rise to a better future.

Congratulations to our daughter of the soil Rixongile Helani.
