

The Honourable Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke has today joined the Minister of Water and Sanitation Honourable Senzo Mchunu together with his Two deputy ministers who are in Vhembe District and Mopani District to investigate the causes of water shortage at Middle Letaba Dam. The Dam is supposed to supply water to some areas under Collins Chabane Local Municipality in hlanganani and Vuwani clusters. The visits by the Minister is anticipated to bring water solution in some areas under Collins Chabane Municipality. The Mayor of Vhembe District and Makhado Municipality are also in attendance.
