

**Mayor Shadrack Maluleke joins Basil Mabasa Foundation in handing over a new borehole to Nkovani village:**

In a collaborative effort to enhance healthcare infrastructure and ensure uninterrupted water supply, Basil Mabasa Foundation in working with the Collins Chabane Local Municipality donated a borehole to Nkovani village residents. Basil Mabasa Foundation CEO and Founder Mr Basil Mabasa said the donation of the borehole came after the Foundation realized that there is shortage of water at the village and residents spend lots of money to buy water. The Mayor of Collins Chabane Cllr Shadrack Maluleke has thanked the foundation for its support and assistance to the community and has further pledged to provide support for the project “ a sound partnership between the business world and government has a wide variety of benefits for our communities and we like to urge people to join hands with government as we build a self-sustainable environment. The mayor was joined by Exco members, PMT and traditional leaders. "DISCLAIMER: The information in this message is confidential and legally privileged solely for the intended addressee.
