

Another Three Villages in Collins Chabane celebrate the commencement of construction of new roads;

Today was a joyous day for the residents of Phaphazela, Xihosana and Olifantshoek village who came to witness the sod-turning of three Roads that will be constructed in their villages. Mayor Shadrack Maluleke told residents that "Your cooperation with the government demonstrated your understanding of how a good road network contributes to sustainable development. The government heard you when you indicated that you needed a good road network to improve accessibility and ensure controlled movement of vehicles,". Mayor Maluleke has urged residents to remain with the same spirit of development and cooperate with the contractors to ensure there is no vandalism of property, in addition to ensuring that the project is completed within the set timeframe.
