

MAYOR SHADRACK MALULEKE WELCOMES CONSULTING ENGINEER FOR THE CONSTRUCTION OF OLIFANTSHOEK ROAD D3164 FROM GRAVEL TO TAR ROAD.

Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke has today received the Consulting Engineer for the implementation of Road D3164 in the Collins Chabane Local Municipality from the Road Agency Limpopo. The appointed Consulting Engineer will, for the period of Eight to Ten Months work on the detailed designs for the Upgrading of road D3164 ,from Mamaila ,Rotterdam and Olifantshoek within Collins Chabane Municipality. Last week another Consulting Engineer was appointed for the construction of D3640 ROAD from Mphambo to Bulwini. Mayor Maluleke highlighted that " We are a service delivery orientated Municipality and very committed to Upgrading of our Roads and all our internal streets and this can be achieved through maintaining working relationship with RAL and the Provincial government and I'm happy we are now enjoying the benefits of this relationship and we hope to cover all our villages continuously," says the Mayor.
